

RELINGOS

Syllabus of English Speaking Program

Introduction:

Relingos Speaking Program is for the students who wish to upgrade their English Communication skills for personal, educational and/or employment purposes. The course focuses on extending listening, speaking, reading and writing skills to improve confidence and develop basic proficiency in communication skills. The speaking and listening practice will also provide opportunities for language skill development including grammar, sentence structure, vocabulary and pronunciation.

Objectives:

1. To reinforce the basic concepts of English Grammar.
2. To improve the Pronunciation and Vocabulary skills
3. To implement the Grammar, Pronunciation and Vocabulary Skills into practice.
4. To make the students build skills for Comprehension and Vocabulary.
5. To develop Listening, Speaking, Reading and Writing Skills
6. To improve verbal and non verbal communication style
7. To enhance effective Communication Skills and Interpersonal Skills
8. To build confidence in English

Scope of the Course:

English has occupied an important place in our educational system and life of our country. It has now become a ladder for upper social mobility and “a window to the world”. So, it is necessary to empower students with effective English language skills. The present course will definitely help the students to achieve professional success.
